

MOUNT PLEASANT

HARTLEY • PLYMOUTH

PLYMOUTH

The maritime city of Plymouth sits between the wilds of Dartmoor to the north, and one of the world's largest natural harbours, the Sound, to the south, making it ideal for people wanting to enjoy the great outdoors.

It has a famous history, from Sir Francis Drake playing bowls on the Hoe, to the departure of the Pilgrim Fathers on the Mayflower to America, and a strong tradition with the Royal Navy, which carried Plymouth Gin around the globe.

Whilst retaining the largest naval base in Western Europe, the city boasts the UK's 9th largest university, the National Marine Aquarium, Olympic standard swimming and diving pools at the Plymouth Life Centre, the modern Drakes Circus shopping centre, the Royal William Yard, and is home to the British Firework Championships.

SITE PLAN

Hill Lane is situated within one of the most desirable areas within the City, but just half a mile from the Manadon roundabout on the A38. There are a wide array of excellent local facilities including popular schools, parks, tennis clubs, shopping parade and regular public transport to the City Centre, which is approximately two miles away.

No.5

- Four bedrooms
- Two en-suites
- Integrated garage
- Utility room

Location on the site

Solar Panels

These properties benefit from built in solar panels which generate clean energy for your new home. The system is set up so that you use the free electricity your system has generated first, before buying in electricity from the grid. If your panels generate more electricity than you use the excess you have generated is fed to the national grid. The solar panels provide a free, clean renewable energy source you can enjoy for years to come.

GENERAL

- Natural slate roof, with in-roof PV system.
- Underfloor heating on ground floor.
- Worcester-Bosch boiler and hot water cylinder.
- Myson radiators on first floor.
- Outside tap.
- Security alarm with pet-tolerant motion sensors to house and garage.
- Forbo Allura flooring to ground floor (excluding Lounge).
- Optional gas fire (subject to stage of construction).
- Premier Guarantee New Home Warranty

Taking care of nature

All over this new development there are a number of features to enhance wildlife. Wildlife friendly features include specially designed swift and sparrow nesting boxes, as well as nesting boxes for bats. A hedgehog highway has been created throughout the site to create access for hedgehogs to your garden. The hedgehog highway creates a sustainable habitat for these small creatures who will gladly eat up your garden pests. Your home will not only give you a safe and secure place to live, it will also provide a home for local wildlife.

Leander Developments is a family business with generations of experience in residential development and construction, throughout the south west.

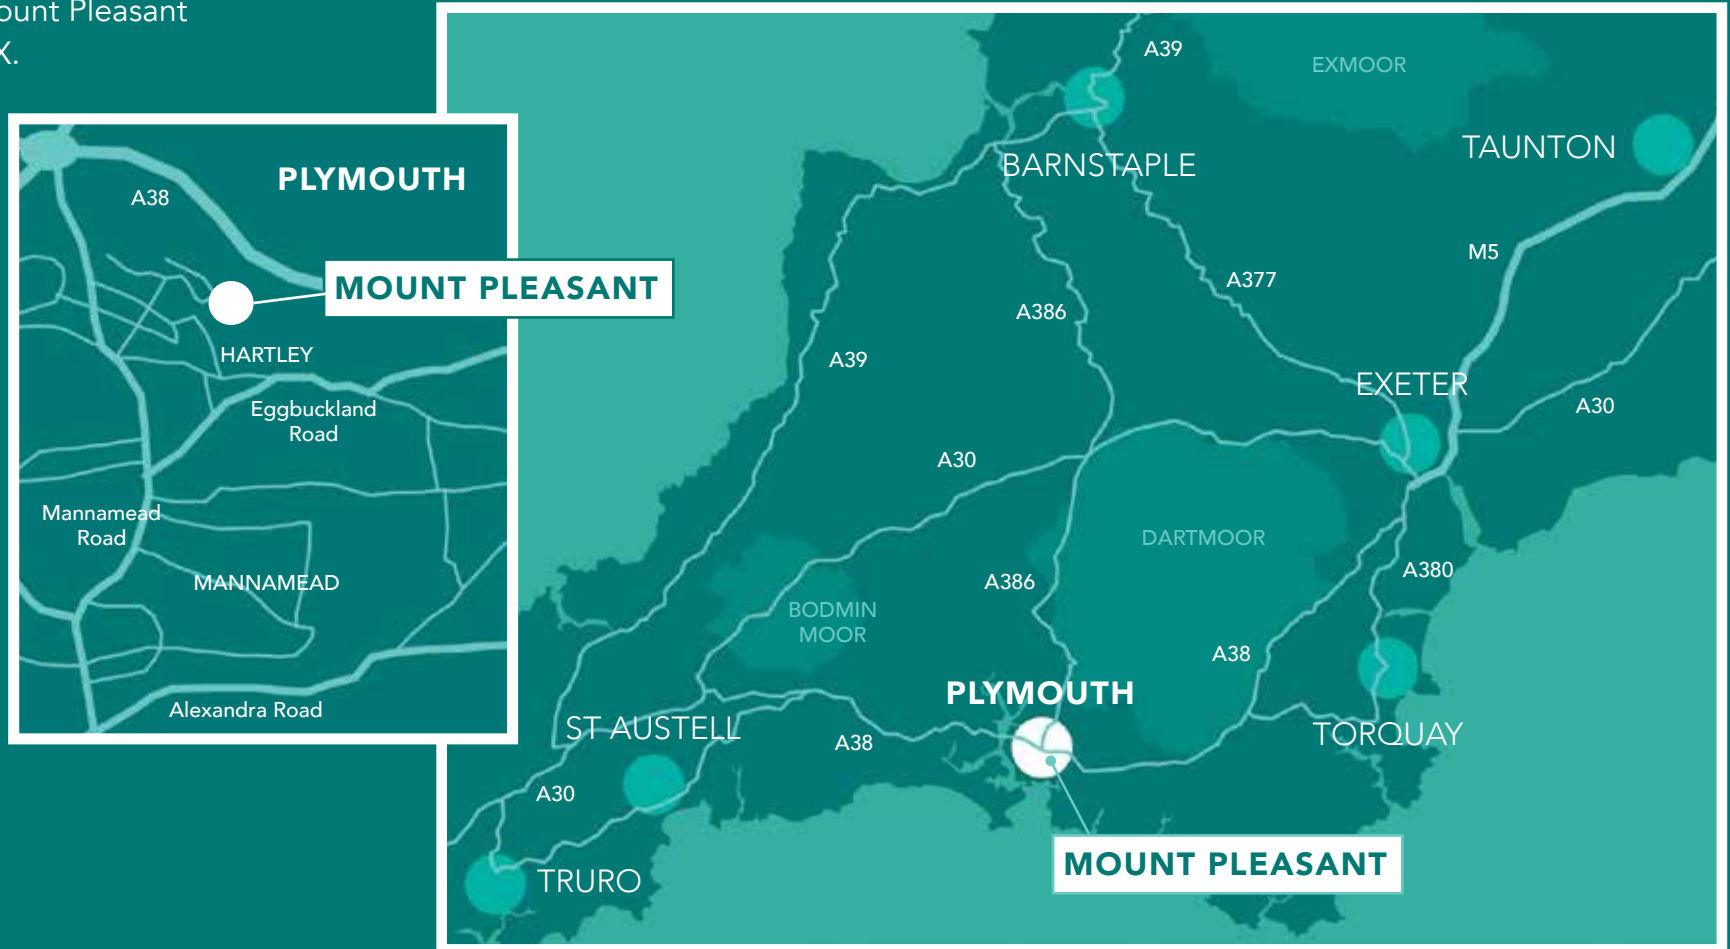

We undertake property development and investment projects in various market sectors. We also work with joint-venture partners, where the combination of our skills, assets and probity leads to successful and profitable relationships, and a reputation that we are proud of.

Leander Developments was originally part of the Knapp Group, a highly respected construction and property development group, with a history stretching back to 1947. The group was sold to Galliford Try plc in 2001, and the company was de-merged and remains in the ownership of the Knapp family.
